

EXHIBIT G

"Room after room after room
a Dyson doesn't lose suction"

James Dyson

JAMES DYSON

There's a fundamental problem with vacuum cleaners: they start losing suction after just a few rooms. Our unique patented system is different. It separates dirt from the air at incredibly high speeds, so a Dyson never loses suction no matter how much you vacuum. Visit dyson.com or call 1-866-693-9766.
